

2020-2021 REDDING NEWCOMER'S COMPASSIONATE CHAUFFEURS LIST

Organized by neighborhood and zip code, this list is of Newcomer Members who, with appropriate advance notice, are able to assist a Newcomer living alone in Redding (with no spouse or family members) by driving them to and from a doctor appointment or procedure. You may have to try several Newcomers to find one who is able to assist you. All are volunteers and most prefer staying in their Zip Code so they are not driving out of their way. If you see a name listed on the street where you live or in the neighborhood where you live, that is where you should start your calling. Branch out from there in your Zip Code. You may need to be creative and ask one to take you to an appointment and another to pick you up. Please Note: This list is meant for driving you to and from an appointment or procedure and is not to be abused. Get your doctor to write out any prescriptions you will need prior to the procedure and have them filled beforehand. It is not the intent of the volunteers to perform your errands. Purchase several days of food items for your meals in advance. In no way will the Compassionate Chauffeurs be responsible for any medical decisions that may arise on your behalf. A big "Thank you" to all the Ladies who volunteered so your fellow Newcomers don't have to ask a stranger for a ride.
